

Position Statement on Deca-BDE, Octa-BDE, & PFOS

This letter affirms the products produced by Wurth Electronics Midcom do not contain decabromodiphenyl ether (DecaBDE), octabromodiphenyl ether (OctaBDE), pentabromodiphenyl ether (PentaBDE), or perfluorooctane sulfonate (PFOS) above a 1000ppm threshold in accordance with the EU Directives 2002/95/EC, 2003/11/EC, and 2006/122/EC.

This statement is based upon information provided by our suppliers and others and that Wurth Electronics Midcom may not have independently verified such information. Wurth Electronics Midcom will make reasonable efforts to obtain certificates from its suppliers where necessary.

This information is provided for your reference and does not constitute an expressed or implied warranty of any kind.
